### Non-Executive Board Appointment

Computacenter plc, the European IT infrastructure services provider, announces the appointment of Dr. Ian J Lewis as a Non-Executive Director of the Company with effect from 15 June 2006.

Ian Lewis, aged 45, is currently Director of the University Computing Service at the University of Cambridge. During his career he has held a number of senior positions, including First Vice President and Global Chief Technology Officer of Merrill Lynch's Investment Banking and Sales division. He was previously Director and Global CTO at Dresder Kleinwort Wasserstein Investment Banking and Vice President, European Head of Technology Services at Morgan Stanley. Ian Lewis has a PhD from the University of Cambridge and BSc (Hons.) degree from Queen Mary College at the University of London.

Ron Sandler, Chairman of Computacenter plc, said:

"We are delighted to welcome Ian Lewis as an independent Non-Executive member of the Board of Computacenter plc and we very much look forward to working with him. His experience and career background are highly relevant to our business and we are confident that Ian will make a significant contribution to the Board."

There are no further details in relation to Ian Lewis which require disclosure pursuant to paragraph 9.6.13 of the Listing Rules of the Financial Services Authority.
