Computacenter PLC
15 July 2009

Computacenter plc is pleased to announce that agreement has been reached in relation to amendments and an extension to the end-user support contract with the BT Group, originally announced on 28 March 2007.

These amendments to the contract will not present any material difference to Computacenter's anticipated profit performance in 2009 and 2010.

More detail regarding the content of the amendments will follow on 27 August 2009 when Computacenter releases its interim results.
